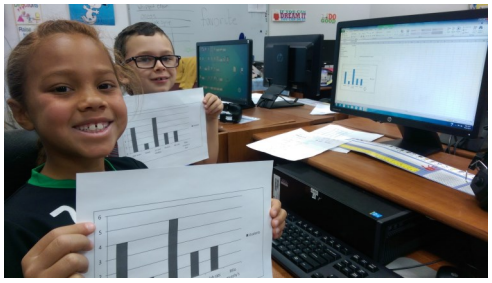
Gel Crayons are Back!

We are still selling **Gourmet SCENTED** pencils made with 100% recycled newspapers and **SCENTED Gel Crayons** that are super smooth. They will be **sold on Thursdays** during lunch recess (look for the PTO volunteer at the end of each grade level hallway) for **$1.00 each**.

Box Tops

Jaguars!
Our last pick up for the year will be **Friday, May 12th**, so keep turning in those box tops! Our grade winners will be announced and their prize will be worked out with their teachers at that time.

Computer Lab



Our second grade classes have been creating graphs in Excel. Hailey and Anthony from Mrs. Bovara's class created a poll on favorite movies and then graphed it in Excel.

Open Enrollment Form

Don't forget to mail in your open enrollment form **(for those living off post)** to the district office. They are due April 19, 2017. A new open enrollment form must be done for each school year. Please call Susana at 458-5082, ext. 1009 if you have any questions.

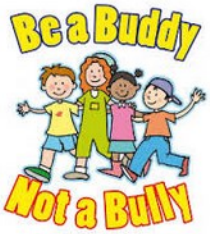
Jaguar Jog - Family Fun Run

We would like to thank everyone who participated in the Jaguar Jog/Family Fun Run. And a **BIG THANK YOU** to Leisa Westbrook and Lisa Graeme for organizing the event. It was a great success!

Ms. Escareno's Class

Students in Ms. Escareno's class are learning about how arcades work at Peter Piper Pizza!

Mrs. Brackin - Counselor



Johnston families, every class has completed two lessons in Bully prevention. Please talk to your children about continuing to use the problem-solving skills they have learned and have them show you what they have learned. In having these conversations with our students we can remind them that they can make good choices, ask for help when needed but more importantly, they can "empower themselves" by using effective coping skills rather than reverting to whining or tattling.

As a reminder, the three actions they learned are **Stop, Walk** and **Talk.** Talk has two parts. They can "use their words" to talk to someone they are upset at when utilizing the stop signal, or they can choose to tell a teacher, but only after they have asked someone to stop a behavior they are not comfortable with. The Stop, Walk and Talk Social Responsibility Skills will be utilized by each school in our district. More lessons will be taught next year.

Library Closing

The last day for Library will be May 12th, please return all books or pay for lost books by this date.

Thanks, Mrs. Moxley
